# P.E

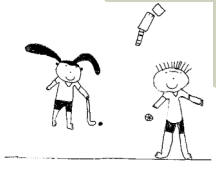

Our P.E lessons are twice a week on **Tuesday** and **Friday.**

Please can we remind you that your child needs to come to school in their PE kits on these days.

**No jewellery** must be worn during P.E. lessons and hair **must** be tied up.

Please ensure that your child has the correct **P.E. kit** :

- White, round neck t-shirt
- Black shorts, leggings or joggers
- PE pumps or trainers
- Their school jumper

# HOMEWORK

Please support your child in reading by helping them to read their book at home **every night**. Please sign and date their diary and say which page they have reached so that we know if it needs changing. If there isn't an adult's signature, their book will not be changed.

Every Friday, English and Maths homework will be set on Class Dojo. This needs to be completed and a photo shared with the teacher on your child's Class Dojo portfolio page by Tuesday morning.

The children will have weekly spellings to learn. These will be given out on Friday and tested the following Friday.

At the beginning of the term, a creative homework grid will be sent home. Please help your child to complete these tasks to the best of their ability and either bring it into school or post photos of the tasks on Class Dojo.

Children will also receive knowledge mats for each subject that needs to be learnt at home. Please see the topic section for more information.

SPRING TERM

# YEAR 2

Welcome to the Spring Term from the

Year 2 Teachers:

Mrs Gough and Miss Lee

Year 2 Teacher Assistants: Mrs Duckworth, Mrs Kausar, Miss Mahmood and Mrs Uttley.

Please do not hesitate to

contact us on: 01282 614834

# ENGLISH

Our English is this term will be linked to space and farms and we will be:

- Reading stories by the same author (Simon Bartram)
- Investigating and writing non-fiction explanations
- Reading stories on a theme
- Non- chronological reports

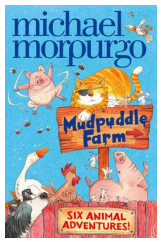

We are expecting all children to use cursive handwriting.

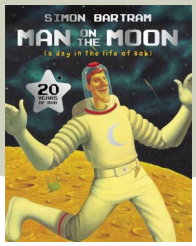

**OUR CLASS TARGETS ARE TO BE ABLE TO** :

**To use apostrophes for contractions and possession.**

**Use a range of conjunctions to link ideas.**

**To spell and use words with suffixes.**

# TOPIC

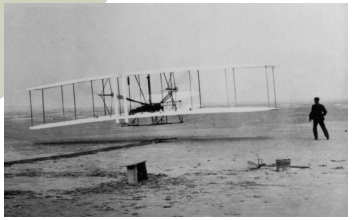

In Science, our topics will be animals including humans and then living things and their habitats.

Our topic in History will be 'How did we learn to fly.' We will be learning about the history of flight from the first aviators to humans exploration of space.

In Geography, we will be learning about where our food comes from.

In computing, we will be learning how to create media and use IT to make music and then learning about computer programming.

Each half term, the children will be using knowledge mats to support their learning. These contain the essential knowledge that your child needs to know for the topics that they will be studying in class. They are designed to be used both in school and at home by parents to help the children learn the important knowledge that they need to be successful in their learning.

# MATHS

This term we are building on our Maths skills that we have acquired in the Autumn term. Our Maths is getting a lot harder and will include:

- Money
- Multiplication and Division
- Statistics
- Measurement: Length and Height
- Measurement: Mass, Capacity and temperature
- We will be consolidating our understanding of place value, addition and subtraction.
- We will be spending a lot of time learning how to problem solve.

We will also continue to learn our 2, 5 and 10 times tables.

**OUR CLASS TARGET IS TO:**

**Learn our 2, 5 and 10 times tables.**

**Use real money at the shop, calculate totals and find change.**
