Our meetings are running differently this term due to restrictions in school.

Class 5I had some great suggestions in their class box this week. Some have been passed onto our Eco council, as they were about recycling.
One was about doing something fun in school. The councillors were told about the W Factor taking place at the end of this month. This is a great fun day for everyone and all money raised this year will go to Pendleside Hospice. Councillors will let their classes know.
Another suggestion was to brighten up the school yard. Each class to have an area where they could plant some flowers and watch them grow. They would also be responsible for their up keep, watering and feeding etc. We think this is a great idea and will ask Mr Metcalfe for some help in setting this up in the Spring Term.
The School Council still have some money to help set up/improve a quiet area in the yard. Councillors will be asking their class mates for some ideas on this next week.

Next meeting Friday 13th November - Please see timetable for times.
