Pendle Pupil Parliament joined our meeting today to let us know about the project they are working on this year, which is 'Plastic Pollution'. The councillors decided that they too would like to introduce this to school. After further discussions within the meeting it was decided that the whole idea of recycling should be in place in our school. The councillors had some great ideas of how we could launch this great cause. It was decided to invite Mr Donnan to our next meeting to share our ideas.

The School Council will be helping to sell the Children in Need merchandise from Monday and for the next two weeks. They took with them back to class a letter for the teacher and a poster to put up in class about everything that is happening for The W Factor, November 15th. It was decided to cancel the council meeting that day too.

A couple of suggestions that came in were:

- Add some different/more pegs to the climbing wall– emailed Mr Afzal
- Clean toilets– emailed Mr Metcalf
- School recycling– emailed Mr Donnan
- Quiet area—emailed Miss Gafoor

Next meeting will be 8th November 2019, 12.30pm, meet at the Community Room.
